LPL35X1

See better, work better

Cabled and compact professional lighting tool

Our compact cabled LED professional work light has been designed for all possible maintenance jobs. Its powerful LEDs give a strong and homogenous 330 lumen beam, while its 360° rotating hook provides a hands-free working environment.

High quality white LED light

- Defeat darkness with soft natural light
- High quality LED light: 330 lumens
- Wide beam angle: up to 120°

High resistance

- Resistant to chemicals and workshop solvents
- Strong impact resistance -IK07
- Water & dust protected -IP54

Compact & hands-free lighting

- 5m cable and 360° retractable hook

PHILIPS

CBL10 Cabled Lamp
High Quality LED 330 lm, 5 meters cable, 360° Retractable Hook

Specifications

Ordering information

- Order entry: LPL35X1
- Ordering code: 39421431

Electrical characteristics

- Charging cable type: 220V AC plug in power supply
- Plug type: EU
- Power source: Cable
- Voltage: 100-240 V
- Wattage: 5 W

Light characteristics

- Beam angle: 120 degree
- Color temperature: 6000 K
- LED lifetime: 10000 hrs
- Light output: 330 lumen

Packaging Data

- EAN1: 8727900394214
- EAN3: 8727900394221

Packed product information

- Cable length: 5 m
- Height: 6 cm

- Length: 39.7 cm
- Pack Quantity / MOQ: 6
- Weight with cable: 545 g
- Weight without cable: 195 g
- Width: 10.2 cm
- Size: Compact

Product description

- Hook: 360° retractable hook
- Impact protection rating (IK): IK07
- Ingress protection rating (IP): IP54
- Magnet: No
- Materials & finishing: Robust rubber & polycarbonate
- Number of LED's: 12
- Operating Temperature: -10 to 50 °C
- Resistant to: grease, oil, workshop solvents
- Technology: LED
- Range: CBL

Power consumption

- Energy efficiency label: A+
- Power consumption per 1000h: 3,5 kW h

LPL35X1

Highlights

Resistant to chemicals

As well as resisting knocks, the inspection lamp cases are resistant to water, chemicals and workshop solvents.

Defeat darkness

Philips professional workshop lamps feature powerful LEDs for an intense white light and a bright wide beam to defeat darkness. Designed to optimize clarity and vision, the 6000 K white light also improves visual comfort for fatigue-free working.

Strong impact resistance -IK07

Strong impact resistance -IK07

5m cable and rotating hook

The 360° adjustable & retractable hook provides the possibility to hang this 5m-cabled LED inspection lamp on every surface. Leaving your both hands free for the job.

High quality LED light

The high quality white LEDs provide 330 lumens of light output to ensure that you are not left in the dark when trying to spot even the smallest details.

Wide beam angle: up to 120°

With the wide beam angle of 120° this LED inspection lamp will enable you to focus on a specific part and deliver the right amount of light you need.

Water & dust protected -IP54

Our CBL10 LED inspection lamp is water & dust resistant and conforms to IP54 standard.
